To Whom It May Concern:

Every May, Costco's annual *Children's Miracle Network Campaign* raises funds for 87 children's hospitals in North America that are affiliated with Children's Miracle Network. Each year, CMN hospitals treat more than 17 million children afflicted with diseases, injuries, birth defects and illnesses of every kind. All children are treated regardless of the family's ability to pay. In the greater NY/NJ area, Costco Wholesale, with the help of participating members and vendors, raise over \$400,000 for the Children' Miracle Network each year. At the local warehouses, our members help raise funds for these hospitals by purchasing "miracle balloons" and participating in a variety of other fundraising activities.

As a partner in our success, we ask for your support with this worthy cause by doing the same. With your donation, we will inscribe your name on a "miracle balloon" and place it prominently in our place of business for all our employees and vendors to recognize. Thank you very much for your consideration.

Sincerely,
