ODYSSEY OF THE MIND, 2009-2010 WORLD COMPETITION

X

Sarasota Christian School's 5th Grade AND 7th Grade Odyssey of the Mind teams thank you for your help in sending them to World Competition at Michigan State University.

These Florida State Champions worked hard to earn the privilege of competing at this international event with the 5th grade team placing in the top half of the field for its long-term performance and the 7th grade team placing 8th overall!

Thank you again for your support in helping to give the children this invaluable opportunity to share their many gifts with the WORLD!!
